BOY strides confidently across it. As he does, we see that further into the field a green 2D balloon bursts, releasing “FAKE NEWS” news of David Attenbrough’s death. A central tombstone appears. BOY rushes to it and weeps whilst the bedroom furniture rearranges itself to mimic an evening graveyard. A coat-stand rolls towards him with a funeral coat and he shrugs it on, bowing his head in mourning.	
2:01 – 2:29 [Instrumental Break]	EXT. 2D FIELD – COLOURFUL/ELECTRIFYING BOY’s mourning is interrupted by 2 black balloons who continue bumping him, until he bursts them. It's all over and I'm standin' pretty In this dust that was a city If I could find a souvenir Just to prove the world was here And here is a red balloon I think of you, and	On his chest sits a AI quokka with a t-shirt that read "Listen To ME". They are holding a purple balloon which they offer to BOY, who takes it and holds it gratefully.	
3:38 - 3:50 let it go	EXT. CITY ALLEY WAY - NIGHT BOY peacefully lies down, eyes closed as he holds balloon. He is unaware that he has arrived back in the cold alley he started in, covered in vomit and dirt, whilst only burst purple ballons litter the paving and puddles.
